[Originally by Simple Minds]

Hey, Hey, Hey, Hey

Won't you come see about me?  
I'll be alone, dancing you know it baby  
Tell me your troubles and doubts  
Giving me everything inside and out

Love's strange so real in the dark  
Think of the tender things that we were working on  
Slow change may pull us apart  
When the light gets into your heart, baby

Don't You Forget About Me  
Don't, Don't, Don't, Don't  
Don't You Forget About Me

Will you stand above me?  
Look my way, never love me  
Rain keeps falling, rain keeps falling down

Will you recognize me?  
Call my name, never love me  
Rain keeps falling, rain keeps falling down

Don't you try to pretend  
It's my feeling we'll win in the end  
I won't harm you or touch your defenses  
Vanity and security

Don't you forget about me  
I'll be alone, dancing you know it baby  
Going to take you apart  
I'll put us back together at heart, baby

Don't You Forget About Me  
Don't, Don't, Don't, Don't  
Don't You Forget About Me

As you walk on by  
Will you call my name?

As you walk on by  
Will you call my name?  
When you walk away

Will you walk away?  
You walk away  
Oh call my name  
And will they sing it?
