You know I flaunt ya  
Cause girl I really want ya  
And you lookin nice  
Got me cooler than a bag of ice  
Now freeze, freeze, freeze  
Now go, drop it fast and move it real slow, what?  
You smell so fruity  
I'm a pirate and you my booty  
Arg, so move it in close  
And let me have my daily dose  
Girl, I been thinking bout you, thinking bout me, what  
you think about it?  
Five fingers to the face  
Five fingers to the face  
Five fingers to the face  
Five fingers to the face  
I love my Tina , Vanessa and Georgina  
It's the ladies choice, so Imma make sure to make  
some noise  
And now we're sweating  
Got my turbo engine revving  
They stop and stare  
All the haters think it's just not fair  
That I'm six foot one and I'm tons of fun  
And I'm about to put this club in gear  
So fellas grab your cup, what?  
All my ladies you know what's up, yeah  
Put your hands in the sky, if your feeling fly, and tell  
me that you, what?  
Cause I'm the man in charge and you know I'm living  
large  
I got a big white house, and a fancy yacht, and a  
garage full of classic cars  
What you talking bout boy, oh, calm down  
I know you don't think you can just come up in here and  
buy me  
Come on, you know what I got for you?  
Five fingers to the face  
Five fingers to the face  
Five fingers to the face  
Five fingers to the face
