Are you listening?  
Hear me talk, Hear me sing  
Open up the door  
Is it less? Is it more?  
You tell me to beware  
Are you here? Are you there?  
Is it something I should know?  
Easy come, easy go

Nodding your head  
Don't hear a word I said  
I can't communicate  
When you wait, Don't relate  
I try to talk to you  
But you never even knew  
So, what's it gonna be?  
Tell me, Can you hear me?

I'm so sick of it  
Your attention's deficit  
Never listen, You never listen  
I'm so sick of it  
So I throw another fit  
Never listen, You never listen

I scream, your name  
But it always stays the same  
I scream and shout  
So what I'm gonna do now  
Is Freak The Freak Out!

Whoa-Oh, Whoa-Oh, Whoa-Oh, Whoa Oh, Oh!

Easy come, Easy Go

Patients running thin (running thin)  
Come again  
Tell what I get  
Opposite (opposite)  
Show me what is real  
If it breaks dose it heal  
Open up your ear

Why you think that I'm here

Keep me in the dark  
Are you even thinking of me  
Is someone else above me  
Got to know (got to know)  
What am I gonna do  
Cause I can't get through to you  
So what's it gonna be  
Tell me can you hear me (hear me? Can you hear me?)

I'm so sick of it.  
You're attention deficit.  
Never listen, you never listen  
I'm so sick of it.  
So I'll throw another fit.  
Never listen, you never listen

I scream your name!  
It always stays the same.  
I scream and shout!  
So what I'm gonna do now is freak the freak  
out.

Hey! whoa-whoa-whoa-whoa. (x2)

Easy come easy go.  
Hey!  
Easy come easy go  
(Can you hear me?)  
I scream your name!  
It always stays the same.  
I scream and shout!  
So what I'm gonna do now is freak the freak out.

hey! whoa-whoa-whoa-whoa. (x2)

Freak the freak out (x5 cont.)

I scream your name!  
But you never listen  
No you never listen  
But you never listen
