I think youâ€™™ re swell
I think youâ€™™ re swell
I think youâ€™™ re swell
I think youâ€™™ re swell
Youâ€™™ re the nugget in my ChickenMc
The peanuts in my butter
Adding fiber to our diets
Beneficial for each other
Youâ€™™ re a piece of dental floss and I am the teeth
Youâ€™™ re Aretha Franklin, lâ€™™ m r-e-s-p-e-c-t
Youâ€™™ re baby giraffe and lâ€™™ m and a safety
ranger
Youâ€™™ re the father and ghost, lâ€™™ m baby Jesus in
the manger
Our love spans 40 acres, filled with apple trees
Youâ€™™ re Thanksgiving, lâ€™™ m the turkey
Youâ€™™ re Akeelah, lâ€™™ m the bee
Youâ€™™ re a guitar, lâ€™™ m the strings like a Jet ski in
the water
Youâ€™™ re New York, lâ€™™ m the buildings
Youâ€™™ re my mother, lâ€™™ m your father
And I think youâ€™™ re swell.

I think youâ€™™ re swell
I think youâ€™™ re swell.

If youâ€™™ re Bobby lâ€™™ ll be Whitney
If youâ€™™ re Method lâ€™™ ll be Redman
If youâ€™™ re Carrie lâ€™™ m Samantha
If youâ€™™ re Oprah lâ€™™ ll be Stedman.
If youâ€™™ re Leia lâ€™™ m Han Solo
If youâ€™™ re Warbuds lâ€™™ ll be Annie
If youâ€™™ re puff the magic dragon lâ€™™ ll be Peter,
Paul, and Mary.
I love you like a Cops marathon on TV,
I love you more than the original star wars trilogy
I am the walrus, you are the goo goo gajoo
lâ€™™ m a whole lot of nothing, you are the much ado
When I say lâ€™™ m in love itâ€™™ s more than any love
has meant
And if we ever go jogging lâ€™™ ll be your antiperspirant
And I think youâ€™™ re swell.

I think youâ€™re swell
I think youâ€™re swell

And everyday when youâ€™re walking down the street
Is like every other day because youâ€™re constantly
walking down the street
And everyday Iâ€™m only thinking about you
And a bunch of other important things, but primarily
you
And thatâ€™s true
â€˜Cuz I think youâ€™re swell

I think youâ€™re swell
I think youâ€™re swell
I think youâ€™re swell

Iâ€™ll be the Jagger to your Richards
The Bruce Willis to your Die Hard
If youâ€™re a molten lava room Iâ€™ll be the one inept
guard
Youâ€™re the tofu to my hippie the words in my
dictionary
If youâ€™re sporty and ginger Iâ€™ll be baby posh
and scary
We go together like pastrami on rye
Like watching titanic and trying not to cry
Youâ€™re in my mind like a song
Youâ€™re in my head like a zombie
Youâ€™re more fun than Frisbee in the park
Or popping edamame.
We go together like a parade and confetti
And later if youâ€™re hungry Iâ€™ll make you some
spaghetti
And I think youâ€™re swell

I think youâ€™re swell
I think youâ€™re swell
