Carolers singing, sleigh bells are ringing
It's that time of year
Everyone's toasting, chestnuts are roasting
Christmas time is near
Something's missing and I'm wishing
Wishing that you knew
How much it would mean to spend
This Christmas time with you

So if you feel it coming
On this special day
Just trust your heart
Don't let your head get in the way

Cause it's Christmas
And the start of something new
But it's Christmas
And I hope you will feel it too
Candy canes and mistletoe
Jack Frost nipping at your nose
But all of it means nothing
Without you
Without you

Just for a minute, you get a feeling.
Look up in the sky.
Santa's here, so get in the spirit.
Just give it a try.
Children beaming and I'm dreaming
Hoping that it's true.
Cause it would mean so much to spend this
Christmas time with you!

So if you feel it coming
On this special day
Just trust your heart
Cause I can't wait to hear you say

That it's Christmas
And the start of something new
Well it's Christmas
And I hope you will feel it too

Everyone together sings
Silver Bells and golden rings
But all of it means nothing
Without you
It's not Christmas
Without you
It's not Christmas
Without you
It's not Christmas
Without you
It's not Christmas...
Without you
