[Intro]

This is called a Song 2 You

[Verse 1]

I don't wear designer clothes  
I don't go to the finest schools  
But, I know I ain't no fool baby  
I may not be a star  
I'm not driving the sickest car  
But, I know I can make you happy baby  
I don't know what you been used to  
Never been with a girl like you  
But, I can give you a love that's true to  
Your heart, not material things

[Chorus]

I'll give you my song  
These words to you  
Sing you what I feel  
My soul is true.  
I don't have the world  
Can't give it to you girl,  
But all that I can do (All that I can do)  
Is give this song to you

Nah Nah

Nah Nah

Nah Nah

[Verse 2]

Yeah I know that you are blessed  
But there's something you're missing yet  
Your own melody... oh baby  
I don't know what you been used to  
Never been with a girl like you  
But, I can give you a love that's true too  
Your heart, not material things
