Ohh yeah yeah

The situations turns around enough to figure out

That someone else has let you down

So many times I don't know why

But I know we can make it as long as you say it

So tell me that you love me yeah

And tell me that I take your breath away

And maybe if you take one more than I would know for
sure

There's nothing left to say

Tell me that you love me anyway

Tell me that you love me anyway

Ohhh

Waking up beside yourself and what you feel inside

Is being shared with someone else

Nowhere to hide I don't know why

But I know we can make it

As long as you say it

So tell me that you love me yeah

And tell me that I take your breath away

And maybe if you take one more than I would know for
sure

There's nothing left to say

Tell me that you love me anyway

Show me look what we found turn it around every day

I can hear what you say

Know I know why know we can make it

If tell me that you love me yeah

And tell me that I take your breath away

And maybe if you take one more

So tell me that you love me yeah

And tell me that I take your breath away

Maybe if you take one more than I would know for sure

There's nothing left to say

Tell me that you love me anyway
