i donâ€™t want to make a scene
i donâ€™t want to let you down
try to do my own thing
and iâ€™m starting to figure it out
that itâ€™s alright
keep it together wherever we go
and itâ€™s alright, oh well, whatever
everybody needs to know

[chorus:]

you might be crazy
have i told you lately that i love you?
youâ€™re the only reason that iâ€™m not afraid to fly
and itâ€™s crazy that someone could change me
now no matter what it is i have to do, iâ€™m not afraid
to try
and you need to know that youâ€™re the reason why

i donâ€™t even care when they say
youâ€™re a little bit off
look me in the eye, i say
i could never get enough
â€˜cause itâ€™s alright
keep it together wherever we go
and itâ€™s alright, oh well, whatever
everybody needs to know

[chorus]

if it was raining, you would yell at the sun
pick up the pieces when the damage is done
you say itâ€™s just another day in the shade
but look at what a mess we made

you might be crazy
have i told you lately that i love you?
youâ€™re the only reason that iâ€™m not afraid to fly
and itâ€™s crazy that someone could change me
now no matter what it is i have to do, iâ€™m not afraid
to try

[chorus]
