Isolate your plagiaristic stealings of my mistakes, it  
goes again and again  
In a circular motion, one way train  
Stalemate, the ideals in which you have made your  
way,  
Cause it's the wrong way to plan  
It's a one way ticket, to a not so pleasant land

Isolate your antitherapeutic way of living, it goes again  
and again  
In a cyclical motion, one way train  
Re-create the ideals in which you have made your own  
way,  
Cause it's the wrong way to plan  
It's a one way ticket, one way, one way

All of us can see the way  
You treat inferiority  
You're so perfect, or so it seems  
Again and again, again and again

Everyone on board  
Around the city we ride  
A revolution tonight  
Via train ride

One way, pray for, your own, safety
