For my own sanity,
Let me explain away,
For your own auditory.

A light resides above a prize.
It's seen by all, a mystery,
A building with no entrances?
What lies beneath, a crypt to see.
A new found treasure chest received
For one who's worthy of its sight.

Low and behold, a story to know - a story untold.

For my own sanity,
Let me explain away,
For your own auditory.

A flaw indeed, for what we need.
The door is quickly closing.
And all that's needed so bad quickly fades.
A flaw indeed, for what we need.
Resources quickly closing.
A cancer spreads across us - can't be saved.

Low and behold, a story to know - a story untold.

For my own sanity,
Let me explain away,
For your own auditory.

What lies beneath?

For my own sanity,
Let me explain away,
For your own auditory.

What lies beneath?
