Feel the pressure
Breaking on the wave of life of crashing on the sun
What you praise the path you choose will decide if you
win or lose

Tomorrow they'll be no Sorrow
Roads you'll follow to a place where you can escape
your fate.

Feel the pressure, an empty void, and empty life that
you can't ignore
Self Destruct at anytime a light shines bright
And we all move on (Move On)

Tomorrow they'll be no Sorrow
Roads you'll follow to a place where you can escape
your fate

Escape your fate
You're on your way
Back to nowhere
Run around again on your way back to nowhere
Lost your way my friend

Life will break you down
Life will spit you out, give you anything but peace
inside yourself
Then a time will come where you'll come undone and
have to ask can I change

Tomorrow there'll be no Sorrow
Roads you'll follow to a place where you can escape
your
Sorrow there'll be signs everywhere to show the way
(the way, the way)
Escape your fate
Escape your
