I'm sitting here alone
Just singing to myself
I'm waiting by the phone
To hear your sweet voice

Though we've only been apart for an hour
It seems like an eternity
So hurry on home
And bring your love to me

The time is passing slowly
There's nothing on tv
My heart wants you to know
How much you mean to me

Though we've only been apart for an hour
It seems like an eternity
So hurry on home
And bring your love to me

From the ashes of a fire
Like a phoenix we did rise
Now our love is so much higher
More than we had realized

From the ashes of a fire
Like a phoenix we did rise
Now our love is so much higher
More than we had realized

I'm sitting here alone
Just singing to myself
I'm waiting by the phone
To hear your sweet voice

Though we've only been apart for an hour
It seems like an eternity
So hurry on home
And bring your love to me
Hurry on home
Bring your love to me
