I met a cutie just today
I gotta call u just to say
He's so fine he's also tall
He looks like a Hong Kong movie star
Oh, and I gotta tell u something else
This is the thing that makes me melt
Oh Yeh, this guy's got...

Chorus:
Chinky, chinky, chinky eyes
This cutie got those chinky eyes
Chinky, chinky, chinky eyes
I love this baby's chinky eyes
Chinky, chinky, chinky eyes
This Vietnamese guy is so fine
Chinky, chinky, chinky eyes
I'm gonna make them mine all mine
Chinky, chinky, chinky eyes

I got a date w/ him Friday
I gotta call u just to say
He's so fine he's also tall
He looks like a Hong Kong movie stars
Oh, and I gotta tell u this other thing
No offense using the word chink
But yeh, this baby got...

(Chorus)
