(I still talk to god somtimes
I ask him if what I'm doing is right or wrong
I'm still waiting for an answer)

How can I kill these deafening voices?
How can I kill these deafening sounds?
That brutal scenario
Will never leave my mind

I live in constant torture
Breathing, but dead inside
This war will last forever
Until the guilty can be found!!!

Why?? You did this to me!!!
Why?? I can't do anything!!!
Why?? You did this to me!!!
Why?? I can't do anything!!!
(anything)

Walking between the borders
Grabbing my twisted mind
How to find a way to kill this
And put it underground

Waiting around the corner
I'm one step behind
I'll be awake forever
Until the guilty can be found

(Will be found)
(You killed me.. but.. why?)
(Business)
(Will be found)
(You killed med.. but.. why?)

Why?? You did this to me!!!
Why?? I can't do anything!!!
Why?? You did this to me!!!
Why?? I can't do anything!!!

Why??
I just ask you Why??
I just ask you Why??
I just ask you Why??
Why?
WHYYYY????
