Oh is it true  
Is it true  
Or have I been mistaken  
Oh it's you  
It's you  
Who started this trouble makin'  
Sure I'm a fool  
I'm a fool  
For putting my heart in such a situation  
I tried to keep my cool  
Keep my cool  
Baby I've grown impatient  
Well you've got my attention  
Now bust out your intentions

Baby don't put me on your backburner  
Baby don't put me on your backburner  
Baby don't put me on your backburner  
Baby don't put me on your backburner

Well when I start thinking bout you and me  
It gets my pulse racein (racein, racein)  
You don't seem to care much about me  
When I'm looking in your direction (your direction)  
Oh girl you can take it or leave it  
Baby are you too blind to see that  
Your leavin me high and dry (high and dry)  
And when you take my love girl (while you wait for  
another)  
Your gonna cross the line (cross the line, cross the line)  
Well you've got my attention  
Now bust out your intentions

Baby don't put me on your backburner  
Baby don't put me on your backburner  
Baby don't put me on your backburner  
Baby don't put me on your backburner

I've been waiting a long long time for a girl like you  
But I ain't wastin any one of my days  
Cause I've got better things to do  
Your giving me grief

But I aint no thief  
You seem to be the one who misunderstood  
Cause you keep turning your back  
Turning your back  
When things were just getting good

Baby don't put me on your backburner  
Baby don't put me on your backburner  
Baby don't put me on your backburner  
Baby don't put me on your backburner
