V V: This is your reporter Vic Venus,  
And we just made contact with the Achilles 13  
moonflight  
Lets listen in as Commander Rah Rah puts his crew  
Through their daily exercises:  
Put your hands on your head, Simple Simon Says  
Put them down by your side, Simple Simon Says  
V V: How do you feel after that workout Commander?  
Weaker, Weaker  
V V: How about the astronaut on the ceiling, what's  
your name?  
Quick Joey Small  
V V: Where are you from Joey?  
The Jelly Jungle Of Orange Marmalade  
V V: May I ask why you volunteered for an important  
and dangerous mission?  
Cause I'm a fool for ya  
V V: What are you doing with that mysterious green  
instrument?  
Now listen while I play my Green Tambourine  
V V: I've been told you're quite a vocalist, take the mike  
and sing something  
For us  
Whoa, Womp bomp bomp, ooh, womp bomp bomp  
V V: Thank You now give me back the mike  
Indian Giver, Indian Giver  
V V: Lets talk to the astronaut who just finished eating  
Hows the food?  
Yummy, Yummy, Yummy I've got love in my tummy  
V V: what's your favorite food?  
Rice Is Nice on any day  
V V: I see you have some pills in front of you  
What are they for?  
Oh Baby, make me feel so good  
V V: How can you swallow such a large pill?  
Chewy, Chewy, chewy, chewy, chewy, chew it Baby  
V V: Can you tell us why you volunteered for this  
mission?  
Sheriff got a shot gun, he do, fill you full of lead son  
V V: There must be another reason  
He also got a black jack, he's mad, he crush your head  
with one whack

V V: Commander Rah Rah wed like to ask you some questions now  
Goody, Goody Gumdrops my heart is doing flip-flops  
V V: First of all I see youve written a letter,  
How do you expect to mail it?  
Special Delivery  
V V: what's your attitude towards space after spending so much time in it?  
This Is My Country  
V V: Commander what keeps your ship from burning up  
When you travel at such great speeds?  
Blessed Is The Rain that falls on me  
V V: If you're confronted by nay creatures as you explore the moons surface  
What will you say to them?  
Welcome Me Love, I know you don't know me,  
Take my hand there's a lot you can show me  
V V: I see your ship is coming to a stop,  
Why it that?  
One Two, Three Red Light, don't stop me  
V V: What happens if you can't get started again?  
It's the Worst That Can Happen  
V V: Commander I'm afraid weve run out of time.  
Is there any closing comment that you'd like to make?  
Have Mercy, Mercy, have mercy on me  
Have Mercy, Mercy, mercy on me...
