I'm chewing on the miles  
Gears jammed in full  
No time for a snooze  
I'm on a dead-end cruise  
Flashing lights in the mirror  
Choppers overhead  
I'm chewing my tobacco  
I'm heading down to Mexico

Crazy Trucker

They say I'm a mean lawbreaking machine

Tattooed up, shaved my head  
County line straight ahead  
I keep pumping the gasoline  
Baby I'm in need of more steam  
Yeah baby, here comes the law  
Now I'm going to settle the score
