If I ran away tomorrow
Would my troubles stay behind?
If I said goodbye to sorrow
Would I find the strength to smile?

I have always thought of leaving
Never to come back
Never to face it
Never to fail again
The way I do

But when times were right I couldn't
Cause baby I don't know what it is I'm running from

Will you walk with me for miles?
And hold me like a child
Will you listen to the words I cannot speak?
When I break down and I cry
And there is nothing left but die
Will you lead me from this darkness to the light?

If I told you I was drowning
And in my faith I've given up
If I told you I was leaving
Not to hurt you anymore

Did you know that I had fallen?
Broken in pieces from the reasons
I never knew and could not find
There is nothing left to fight for
All my hopes and dreams have run out long ago

Will you walk with me for miles?
And hold me like a child
Will you listen to the words I cannot speak?
When I break down and I cry
And there is nothing left but die
Will you lead me from this darkness to the light?

Will you walk with me for miles?
And hold me like a child

Will you listen to the words I cannot speak?
When I break down and I cry
And there is nothing left but die
Will you lead me from this darkness to the light?
