[feat. Wil And Kate]

[Verse:]

[Wil:]

LONG AGO

When I was young
and all was new
so long ago

[Kate:]

I was a girl
and having fun
so long ago
I remember when
We had good times then

[Wil:]

There's Gotta Be
Something more out there
There's just gotta be
Something more for me

People try, peopl die
People dream,
and that's me

[Kate:]

There's gotta be
something new for me
There's just gotta be
Something grand for me

I must follow my heart
Make a brand new start
I can see it
I can feel it right now

[Wil:]

There's a big
world out there
Just waiting for me
I can make it

I can do it
An pave the way

[Kate:]
I won't give up
I can see it through
Life's an open door
and there's so much more

I will laugh
I will grin
I wil try
Until I win

There's gotta be
Something out there
For me
