When I was a young boy my mama would say
Son you ain't always gonna get your way
Times will be good times will be bad
You ain't always gonna get a winning hand
Son she always said you gotta stand tall
Even when it looks like you'll take a fall
Life is short and sometimes sweet
Get out of the kitchen if you can't take the heat

(Pre Chorus)

Everything she said was true
My mama never was a fool
Gotta live your life by the golden rule

(Chorus)

I guess it's true what they say
Really true what they say
I guess what mama said was true
Can't have your cake and eat it too, babe

I never doubted any word my
Mutha said
With all the sinnin' runnin' 'round my head

(Pre-Chorus)(Pre-Chorus)(Chorus)
