Baby's, long and tall man, she's got it all
She's alright, alright
Hips have got a sway shakin' it my way
It alright, alright

Full bodied curves with her legs she serves
Oh yeah, oh yeah
Lips that say it all turn and hear her call
Oh yeah, oh yeah

Ain't no cheap and nasty liquor
Dripping down her vine
Taste of golden honey sweet as candy money
Bottle it up and make her mine

Give me a taste of your fine, fine wine
Ruby sticky, sweet as summertime
Let me taste you fine, fine wine
One more drink gets me feeling alright

We're here for the show, let your passion flow
It's okay, okay
We ain't gonna stop, so throw away the top
It's okay, okay

Ain't no cheap and nasty liquor
Dripping down her vine
Taste of golden honey sweet as candy money
Bottle it up and make her mine

Give me a taste of your fine, fine wine
Ruby sticky, sweet as summertime
Let me taste you fine, fine wine
One more drink gets me feeling alright

Give me a taste of your fine, fine wine
Ruby sticky, sweet as summertime
Let me taste you fine, fine wine
One more drink gets me feeling alright
