They told him not to wander
Told him not to stray
Listen to the warnings
Never lose the light of day

There's danger in the darkness
Death's not what they say
Thunderclouds are rolling in
Trouble is on the way

But you can feel
Excitement in your veins
No holding back
Till you stake you claim

Surprise, disguise
Better run now, you realize
The thrill, the kill
And you know that it's over
With a look in her eyes

An ocean of temptation
Every drop of wine
Shadows meeting face to face
Tentacles entwine

One look from the Jezebel
Phony valentine
Now you see the wanderer
Frozen in corridors of time

But you can feel
Excitement in your veins
No holding back
Till you stake you claim

Surprise, disguise
Better run now, you realize
The kiss, abyss
Knowing that you can't resist
The thrill, the kill
And you know that it's over

Surprise, disguise
Better run now, you realize
The kiss, abyss
Knowing that you can't resist
The thrill, the kill
And you know that it's over

With a look in her eyes
With a look in her eyes
With a look in her eyes
With a look in her eyes
