There's a kid I know with a heart of gold  
I was seven years old when he was good to go  
and I told him, yeah I told him  
He was young and sane but against the grain  
He goes by the name baby hurricane  
and I told him, yeah I told him

Baby Hurricane I got you in my veins  
Evergreen  
You and me  
We got everything here  
Everywhere I go you will follow  
Beautiful  
Let it blow  
We got everything here  
They don't know, they know nothing  
We got everything here babe

In the heart of me he tore up trees  
then blow them to sea just to impress me  
and I told him, yeah I told him  
He would not be tamed, he could not refrain  
living up to his name Baby Hurricane  
and I told him, yeah I told him

Baby Hurricane I got you in my veins  
Evergreen  
You and me  
We got everything here  
Everywhere I go you will follow  
Beautiful  
Let it blow  
We got everything here  
They don't know, they know nothing  
We got everything here babe

No they don't know x 3

Baby Hurricane I got you in my veins  
Evergreen  
You and me

We got everything here  
Everywhere I go you will follow  
Beautiful  
Let it blow  
We got everything here  
They don't know, they know nothing  
We got everything here babe  
We got everything here babe
