seasons come yeah back
seasons go
and that's natural yeah babe
but when did it
come on get it and walk out on your..
just cause you're out of few bad moments
now she's in wait so heart broken
stop what you're doing now and go

Chorus:
find that girl
tell her she's beautiful
go love that girl make her feel wonderful
say sorry baby it was all my fault
you'll never know so just find me the one
find that girl
tell her she's beautiful
go love that girl make her feel wonderful
say sorry baby it was all my fault
you never know so just find me the one

sometimes things..in the heat of a night..
let's not take things way too far oh
now did it come okay to walk out on the..
just cause you..
now she's alone and broken
what a..

[Chorus:]
stop what you're doing
[Chorus:]

come okay to walk out on your woman
cause you let her feel back romance
she's probably so broken
swallow your pride girl

[2 x Chorus:]
