Come, on, baby tell me the truth!  
I refuse to keep taking the verbal abuse  
I know that you can read the clues, yeah!  
Go ahead and write this on the wall  
It doesn't look like anything is gonna change  
And I'mma leave one  
Baby, let me give you some ..

Chorus:

Any man as good as I told you  
Cause I thought  
Now your life is all twisted, baby  
Let me give you what you deserve!  
Know you're hurt, and girl I'm right here  
I will give you a listening, dear!  
Tell me what you want, I'll be that!

Tell me what you want, and I, I will be that!  
Come, on baby tell me what you lose  
Are you ready to be rescued  
I know that you can beat the clues  
It doesn't look like anything will change  
Baby, give you some

Chorus:

Any man as good as I told you  
Cause I thought  
Now your life is all twisted, baby  
Let me give you what you deserve!  
Know you're hurt, and girl I'm right here  
I will give you a listening, dear!  
Tell me what you want, I'll be that!

Girl, text me, you're about to see the struggle  
Girl, some people don't understand the world, no  
Baby never, don't ever look back  
Even when he says he'll clean up his  
Girl, you need someone who can turn this thing  
around!  
That's me, I hope you see that.

Chorus:

Any man as good as I told you  
Cause I thoughtâ€¦  
Now your life is all twisted, baby  
Let me give you what you deserve!  
Know youâ€™re hurt, and girl Iâ€™m right here  
I will give you a listening, dear!  
Tell me what you want, Iâ€™ll be that!
