Verse 1

I don't wanna leave but this is the final train.
I don't wanna go, but baby they calling my name ooh
Baby I see tears, I feel your pain
Don't worry, things will work out in time yeah yeah

Bridge

before you know it we'll be back together
sometimes we gotta spread our wings and fly away
just for a season and know this is the reason
i wanna please ya and give you everything you need

Chorus x2

This is not goodbye baby
its just see ya later baby
dont you say goodbye baby
I will see you later baby

Verse 2

Everybody's expecting that we're gonna fall apart
but they don't know the love thats in my heart~~
baby I miss your touch
your way too far
I just wish I could be right where you are~~

Bridge

before you know it we'll be back together
sometimes you gotta spread your wings and fly away
just for a season, and girl this is the reason
I gotta please ya, and give you everything you need

My heart cries out to you x2

Chorus x2

This is not goodbye baby
its just see ya later baby
dont you say goodbye baby
I will see you later baby
