Down in the country, amongst the pines  
Norfolk, Virginia, near the North Carolina line  
Down in the country, amongst the pines  
Norfolk, Virginia, near the North Carolina line  
Well now me and old Elmer Waterfield  
Used to sit beneath the pines  
Arguing whose car was faster  
Was it his or was it mine  
Then hear and tell the story  
You'd swear that it was true  
His old Ford and one Plymouth of me  
Went a hundred and twenty-two  
Down in the country, amongst the pines  
Norfolk, Virginia, near the North Carolina line  
Down in the country, amongst the pines  
Norfolk, Virginia, near the North Carolina line  
Down in the country, amongst the pines  
Norfolk, Virginia, near the North Carolina line  
Down in the country, amongst the pines  
Norfolk, Virginia, near the North Carolina line  
If you want to spread a rumor  
Or a gossip, please feel free  
Just ask old Lonzo Cooper  
He's better than NBC  
Down in the country, amongst the pines  
Norfolk, Virginia, near the North Carolina line  
Down in the country, amongst the pines  
Norfolk, Virginia, near the North Carolina line
