I know it's dying from your erratic eye  
It's not worth crying because I should have known  
From the start it was just what I should have  
Run from  
A prolonged dead end  
Then you turned your head and said

When the sun comes up I'll be leaving you  
I've got to go 'cause I've got a goal now  
So much for love is so fucked up  
I've got to go 'cause I'm not in love with you

So I let it go and I pulled the fuse  
Then he wasn't so sure and he looped the loop  
Can't we just be friends with benefits, no thanks  
But I'm sure I'll see you around

Chorus

And it was so so so so so so so so sweet  
The way he offered his anatomical retreat  
But the probability was ancient history  
And he just couldn't perceive

Can't we just be friends with benefits, no thanks  
Not this time I turned my head and said

Chorus...
