I'm bought back
I'm bought back
I'm bought back from my sin
I'm bought back from my shame
I'm bought back from the grave
I'm bought back from the flames
Yes, I'm back
I'm bought back
Was left to die in the waste of my life
But I'm back

I'm bought back
I'm bought back
I'm bought back by the Son
I'm bought back at the cross
I'm bought back in his blood
I'm bought back at his cost
Yes, I'm back
I'm bought back
Was left to die in the waste of my life
But I'm back

You have done this - of this I'm sure
I was far too gone
Loved me when condemned to die
In my place put your body, oh yeah
