Visit "[Creation Calls](#)" on MotoLyrics.com

I have felt the wind blow, whispering your name
I have seen your tears fall when I watch the rain

How could I say there is no God
When all around creation calls
A singing bird, a mighty tree
The vast expanse of open sea

Gazing at a bird in flight, soaring through the air
Lying down beneath the stars, I feel your presence
there

I love to stand at ocean's shore
And feel the thundering breakers roar
To walk through golden fields of grain
'Neath endless blue horizon's frame

Listening to a river run, watering the earth
Fragrance of a rose in bloom, a newborn's cry at birth

(Chorus 1)

(Chorus 2)

I believe, I believe, I believe
