Fall on me
Ever so gently
Washing, washing my fithy stains.

Shower me
In your love
Breathe on, breathe on these dry bones.

these dry bones

And break these chains
And break these chains

Set me free
Set me free
Set me free Lord
Set me free

Set me free
Set me free
Set me free
Set me free

Fall on me
Ever so gently
Washing, washing my fithy stains.

Shower me
In your love
Breathe on, breathe on these dry bones.

these dry bones
these dry bones
these dry bones

And break these chains
And break these chains

Set me free
Set me free
Set me free Lord

Set me free

Set me free
Set me free
Set me free Lord
Set me free

Follow me
Wash me clean
Shower me
Breathe on me
Break these chains

And break these chains
And break these chains

Set me free
Set me free
Set me free Lord
Set me free

Set me free
Set me free
Set me free Lord
Set me free

Set me free
