Visit "[Refuge In You](#)" on MotoLyrics.com

Lord, I have found a refuge in You
A hiding place where I can enter in
I meet You there and tell You all my troubles
You touch my heart and I am comforted

I love You, I need You, You're my saving King
Holy, awesome, God of everything
Refuge, shelter, I'm safe beneath Your wings
Jesus, Your love covers me

You're my defence when I'm afraid
When troubles come I call Your name
I lift my eyes to the highest place
The dark clouds break, and
I can see Your face
I can see Your face
I can see Your face
