But I'm Mikey - Bo

I do's my thing Im in the streets  
I spit them words I bring the heat  
I make it pound got bangin beats  
Cause I is me

Verse#1

Have you ever in ya long legged life  
Meet a superstar that then came out twice  
Had plenty long nights  
Cant remember the mornings  
A lot of red bull  
Followed up by yawnsÂ'  
On in On in On in  
It dawned upon me like six in the morning  
Around about six in the morning  
I said either I'm out or I'm all in

1:26

Verse#2

Respect is givin to those who give it back

But those rules dont apply in this game we call rap  
Be to soft and they'll try to sit on ya  
To hard and they'll try to put anything on ya  
So I just be Mr. Boulskey

A party boy  
DJ  
And sometimes an Alchi  
I been in line 'til my time is due  
I'm glad my ticket numbers 402

2:24  
Verse#3

I is me like I got the spellin wrong  
I get it on

Don't get me wrong I don't want to burn bridges  
But I will blow that motherfucker up  
Like what  
You just do you  
I'm a do me  
AHHHHHHHHHH
