Infidelity kills.... (spoken - 3x)
Outtergurl Outtergurl...Hey where did we go?
Can you take the chance, bring us back,
Maybe then we'll make up and know...
You met me on a bench while I played my guitar by the
court.
There you took a glance, took a chance, held you
phone up high with you hand...
Then you said...
Can you play a little harder?
Can you sing a louder?
Cuz your music gots me trippin,
It gots me sinking in you.
We use to dance to the Cure on the midnight floor...
Where you kept the groove, kept it cool, showed a boy
how to really move.
Then you said...
Can you dance a little closer?
Could you move a little quicker?
Cuz the music gots me trippin,
It gots me sinking in you...
Can you play a little harder,
Sing a little louder,
Dance a little closer,
Move a littler quicker,
This music gots me tripping,
Its gots me sinking in you.
Hey where did we go...
Where'd we go?
Infidelity kills... (spoken)
Can you sing a little louder?
Can you play a little harder?
Cuz this music is kinda trippy ...
It gots me sinking in you...
Music gots me trippin, Music gots me sinking,
Music gots me thinking, Music gots me singing,
Music gots me trippin...It gots me sinking in you...
Can you sing a little louder, play a little harder,
Dance a little closer, move a little quicker,
This music gots me trippin...
It gots me sinking in you.
Hey where did we go?

Where'd we go?
Infidelity kills....
