Sitting, waiting for the next train to arrive  
I got no ticket and I'm hoping to hitch a ride  
I still got the shirt on ma back  
That I wore to work last night  
Jeans are ripped, got no money in ma pocket  
But the future looks alright

No need to fight  
No need to fight

Coz I'm here tonight!  
And I'm not scared!  
All the voices running outa my head  
Got a one tracked mind  
All these people are wasting too much time on

What they think  
What they want  
I don't give a damn  
Coz I'm a lonely man!

I'm a lonely man!

Sitting on these ground hawk trains, I'm mystified  
I'm having a melancholic dream and I wanna rewind  
It's nothing but a ferris wheel  
And I'm tied of the same old sight  
It just aint me  
It just aint right  
I'd be happy in paradise

Turn off the light  
Turn off the light

Coz I' here tonight!  
And I'm not scared!  
All the voices running outa ma head  
Got a one tracked mind  
All these people are wasting too much time on

What they think  
And what they want

I don't give a damn  
Coz I'm a lonely man!  
I'm a lonely man!

(Keyboard solo)  
(Guitar solo)

Coz I' here tonight!  
And I'm not scared!  
All the voices running outa ma head  
Got a one tracked mind  
All these people are wasting too much time on...
