One night and the world's your oyster

Night, night, ni-ni-night, night, Bangkok, Bangkok  
Night, night, ni-ni-night, night, Bangkok  
Night, night, ni-ni-night, night, Bangkok and you  
Night, night, night in Bangkok, pearls ain't free

Night, night, ni-ni-night, night, Bangkok and you  
Night, night, ni-ni-night, night, Bangkok and you  
Night, night, ni-ni-night, night, Bangkok, Bangkok  
Night, night, ni-night, pearls ain't free

One night in Bangkok and the world's your oyster  
The bars are temples but the pearls ain't free  
You'll find a god in every golden cloister  
And if you're lucky then the god's a she, she, she

One night in Bangkok and the world's your oyster  
The bars are temples but the pearls ain't free  
You'll find a god in every golden cloister  
And if you're lucky then the god's a she  
I can feel an angel sliding up to me

Night, night, ni-ni-night, night, Bangkok and you  
Night, night, ni-ni-night, night, Bangkok  
Night, night, ni-ni-night, night, Bangkok and you  
Night, night, night in Bangkok, pearls ain't free

Night, night, ni-ni-night, night, Bangkok and you  
Night, night, ni-ni-night, night, Bangkok and you  
Night, night, ni-ni-night, night, Bangkok, Bangkok  
Night, night, ni-night, pearls ain't free

One night in Bangkok and the world's your oyster  
The bars are temples but the pearls ain't free  
You'll find a god in every golden cloister  
And if you're lucky then the god's a she, she, she

One night in Bangkok and the world's your oyster  
The bars are temples but the pearls ain't free  
You'll find a god in every golden cloister  
And if you're lucky then the god's a she

I can feel an angel sliding up to me, me

One night in Bangkok  
The Devil walking next to me

Night, night, ni-ni-night, night, Bangkok and you  
Night, night, ni-ni-night, night, Bangkok and you  
Night, night, ni-ni-night, night, Bangkok, Bangkok  
Night, night, ni-night, pearls ain't free

One night in Bangkok and the world's your oyster  
The bars are temples but the pearls ain't free  
You'll find a god in every golden cloister  
And if you're lucky then the god's a she

One night in Bangkok and the world's your oyster  
The bars are temples but the pearls ain't free  
You'll find a god in every golden cloister  
And if you're lucky then the god's a she  
I can feel an angel sliding up to me
