aha mhmm gonna get along without you now  
aha mhmm I'm gonna get along without you now  
you told me I was the latest thing  
you even asked me to wear your ring  
you ran around with every girl in town  
you didn't even care if it got me down

aha mhmm gonna get along without you now  
aha mhmm I'm gonna get along without you now  
got along without you before I met you  
gonna get along without you now  
thought I'd find somebody who was twice as cute  
'cos I didn't like you anyhow

you told everybody that we were friends  
but this is where our friendship ends  
'cos all of a sudden you changed your tune  
you haven't been around since way last june

aa-ha-oo-hoo gonna get along without you now  
I got along without you before I met you  
gonna get along without you now  
so long my honey  
goodbye my dear  
gonna get along without you now

oo-hoo

get darling without you now  
get darling without you now  
get darling without you now

aha aha gonna get along without you now  
got along without you before I met you  
gonna get along without you now  
so long my honey  
goodbye my dear  
gonna get along without you now

oo-hoo hoo hoo

so loong my honey  
goodbye my dear  
gonna get along without you now  
oo-hoo hoo hoo hoo

so loong my honey  
goodbye my dear  
gonna get along without you now  
oo-hoo hoo hoo hoo
