Ah ha, hmm, gonna get along without you now  
Ah ha, hmm, I'm gonna get along without you now  
You told me I was the neatest thing  
You even ask me to wear your ring  
You ran around with every girl in town  
You didn't even care if it's got me down  
Ah ha, hmm, gonna get along without you now  
Ah ha, hmm, I'm gonna get along without you now  
I got along without you before I met you  
Gonna get along without you now  
Thought I'd find somebody who is twice as cute 'cause I  
didn't like you anyhow  
You told everybody that we were friends but this is  
where our friendship ends  
'Cause all of a sudden you change your tune and  
haven't been around since way last June  
Ah ha, ooh, ooh, gonna get along without you now  
I got along without you before I met you  
Gonna get along without you now  
So long my honey, goodbye my dear  
Gonna get along without you now, ooh, hoo  
Get along without you now  
Get along without you now  
Get along without you now  
Ah ha, ah ha, gonna get along without you now  
I got along without you before I met you  
Gonna get along without you now  
So long (Get along without you now) my honey (Get  
along without you now)  
Goodbye (Get along without you now) my dear (Get  
along without you now)  
Gonna get along without you now

So long (Get along without you now) my honey (Get  
along without you now)  
Goodbye (Get along without you now) my dear (Get  
along without you now)  
Gonna get along without you now

So long (Get along without you now) my honey (Get  
along without you now)  
Goodbye (Get along without you now) my dear (Get

along without you now)  
Goodbye
