We've been pushed around  
And treated like shit  
How could anyone  
Ever deal with this?  
You beat us down  
Broken on the floor  
Sometimes I feel  
I can't take it anymore

We wanna prove  
We got nothing to loose  
Won't be enslaved  
We wanna prove  
We got nothing to loose  
Won't be enslaved  
We wanna prove  
We don't need you

We've been pushed too far  
Now you've got a war  
We wont sit back  
And take it anymore  
You beat us down  
Broken on the floor  
Sometimes I feel  
I can't take it anymore

We wanna prove  
We got nothing to loose  
Won't be enslaved  
We wanna prove  
We got nothing to loose  
Won't be enslaved  
We wanna prove  
We don't need you

Broken down but  
Freedom is craved  
I'm not your victim  
I won't be enslaved  
Beaten down but  
Can I be saved?

I'm not your victim  
I won't be enslaved  
Shot down again  
From this life I've braved  
I'm not your victim  
I won't be enslaved
