Visit "[Alone](#)" on MotoLyrics.com

I Need You To Be Here
But I Know You Can't Be Near
We Will Be So Far Apart
I Know We'll Hate Each Other

You Were Never Meant To Stay
I Never Thought It Would Be This Way
How'd You Get So Close To Me?
I'm So Far Away From You

There Isn't Ever A Time Without You
When I Don't Feel Alone
Even When I Pretend I Know I Have No One But You

In Silence You Push Me
To Be Where I Don't Wanna Be
Why Don't I Just Wake Up And Find You Gone Forever

You Were Never Meant To Stay
I Never Thought It Would Be This Way
How'd You Get So Close To Me?
I'm So Far Away From You

There Isn't Ever A Time Without You
When I Don't Feel Alone
Even When I Pretend I Know I Have No One But You

There Isn't Ever A Time Without You
When I Don't Feel Alone
Even When I Pretend I Know I Have No One But You ...
