Got my faith baby  
In the Lord  
Got my faith baby  
In the Lord Lord Lord  
And I know  
He'll make everything alright  
No matter where a child roam  
That child's gonna have a home  
If he's got his faith alright  
I don't believe in no car  
I don't believe in General Motors  
I don't believe in the President  
Or the League of Women Voters  
I don't believe in these things  
All these things might fail  
I don't believe it's gonna snow  
It might sleet rain or hail  
But I believe in the Father  
I believe in the Son  
I believe there's a Spirit  
For everyone  
I believe in the Father  
I believe in the Son  
I believe there's a Spirit  
For everyone  
That's not all  
That's not all  
I'm gonna tell y'all  
Let's do the faith call  
I said F----F  
I said A----A  
I said I----I  
I said T----T  
I said H----H  
What's that spell---Faith  
What's that spell---Faith  
Oh Faith
