They just don't listen to me
This doesn't happen to just anyone
I'm so sad to go through all this
All on my own...

I never wanted you to stay
You always, always had your way
Your way!

They just don't listen to me
This doesn't happen to anyone
I'm just sad to go through all this
Out on my own

I couldn't bare to see your face
My life is not, is not just your game
Your game!
They just don't listen to me
This doesn't happen to anyone
I'm just sad to go through all this
Out on my own...

Let's go!

They just don't listen to me
This doesn't happen to anyone
I'm just sad to go on with this
Out on my own...

They just don't listen to me
So why should I listen to just anyone?
I'm just sad to go on with this
On my own...
