I've known you for so long
Just look it can't go wrong
I'm always open to you
Now there's just one thing for you to do
I've waited for this day
Now there's just one thing for you to say
It's all up to you
Show me that smile or I'll leave you, yeah

Show me your secret smile?
Why do you hide it away from me?
Is it that you don't trust me?
Or am I just too fuckin' ugly?
Show me your secret smile?
Why do you hide it away from me?
Is it that you don't trust me?
Or am I just too fuckin' ugly?

You always tell me no
But why don't you give it a go?
It is important to me
I dunno why you can't see
You've got nothing to lose
It's not something I'd abuse
So give in to me
Drop it now and set that smile free

Show me your secret smile?
Why do you hide it away from me?
Is it that you don't trust me?
Or am I just too fuckin' ugly?
Show me your secret smile?
Why do you hide it away from me?
Is it that you don't trust me?
Or am I just too fuckin' ugly?

Why don't you give in to me?
You're always saying no to me
I'll be as good as I can be
Show that secret smile to me

Is there something wrong?

Let's just get it on
Do you want it up the arse?
I'll get it up there fast

Show me your secret smile?
Why do you hide it away from me?
Is it that you don't trust me?
Or am I just too fuckin' ugly?
Show me your secret smile?
Why do you hide it away from me?
Is it that you don't trust me?
Or am I just too fuckin' ugly?

Why don't you give in to me?
You're always saying no to me
I'll be as good as I can be
Show that secret smile to me

Yeah..
Ooh..
Ugh..
