### "See My Ships"

See my ships  
They are sailing  
In and out of the harbor  
Will they go together  
Or must they stay apart  
Yes I know it's in my heart  
Surely you see what's inside of me  
Jesus is coming soon  
I can hear Gabriel  
Blow his trumpet tune  
This I know  
This I know  
Our lord is coming soon  
Mercy mercy me  
Marvin Gaye he was shot  
By his father  
O my Father  
Have mercy on me  
Cold kane o my cheap thrill  
O my shame for Cain  
And the devil  
Momma I need water  
I'm thirsty  
Surely you see  
What's inside of me
