Poisoning by venom of importance  
Non - priority it would be a gravity not to raise  
But the march of hyperindividualities  
Without any trace of fear of unmasking  
Inflicted insults upon myself  
More and more...  
Caused by ostentatious destruction  
Rusting scutum of alienation  
The first surfeit of the deepest desires  
Jus like Shanghai at dawn  
Always ready to unite  
All possible excitements  
I built myself scaffolding  
Upon beautiful, illusory sounds  
upon beautiful, illusory love  
Now I will dance...

Instinctive attempts of invastion  
(As one wish to think) the entrance into paradise  
That's plain absurd  
The truths revealed lately vulgar provocation  
Lack of joy is ability of symbolic fight  
Lack of other orthodoxies of "true art - soul" type  
Generally make the specific collection of scoundrels  
From under the highest mountain  
At least I experienced the knowledge  
Of feelings always turned down  
Nothing I destroyed, rather ennobled  
All primitive experiences  
Now I'm clear...
