As I lay there
Silence is defining
The quietest volume is ten
Its happening again
How do I stop my brain from shaking me up

(Why you waking me up
I'm Larry, I'm J's fear
I'm not sure if I'm supposed to be here
I hope I don't get in trouble for raping
And I hope that girl don't get pregnant we're tappin)

Would you mind getting out my head when I rap?
(But what if our records are wack
What if I flop, I don't know shit)
Larry you worry about too much bullshit
Thanks for your rap though
(Was it okay?)
Yeah but when I rhyme they want to hear Violent J
(oh)
Cause I deliver the swift axe chops
[um.. can we stop? Hello I'm J's soft side
He never show affection and makes me hide
My name is Blush and I'm barely used at all]

Fuck! W-w-w-what's happening yall

I have no control of me (I'll never understand ----)
Multi personalities (I don't know who I am, or why I'm
here)
Chemical unbalances (I don't know what I'm singing,
why I'm singing)
They control me randomly (I think I can.. I know I..)

{What up playa, my name is Captivity
I'm J's Chick bonin' ability
Being that we ugly, it ain't a piece of cake.
But we get our fair shake}

Somebody help me I'm falling apart
Personalities are pourin out of my heart

Just pay me no mind
I forgot my pills today (are you sure we're okay?)

{Look here mother fucker, get it right
Or we're going to be a virgin the rest of our life}

Why you tellin them shit? Go fuck yourself!
[He's only trying to help
I should be mad, you never come my way]

Cause you're a fuckin pussy ass and I'm Violent J
But I'm not going crazy, I'm just bein funny
[Yeah Right!](Help somebody)

I have no control of me (I'll never understand -----)
Multi personalities (I don't know who I am, or why I'm
here)
Chemical unbalances (I don't know what I'm singing,
why I'm singing)
They control me randomly (I think I can.. I know I..)

Juggalos I'm sorry I'm out of control
I have personality issues fosure
All I wanted you to hear was Violent J
-Well excuse me then I'll get out your way.-
Wait, I'm sorry Fred tell them about you
-Well I handle the smarts for our Mr Bruce
I once read a book, I have a night grade degree
And who kiddin you don't even use me-
Relax already, don't get pissed
You know who's probably here in the mist
All we need is Butch showing up
+Too late pussy throw me a beer
The name is butch, I'm J's anger
Well and get me pissed and we're goin to town+
Easy man here have come nightquail
Leave the beat downs to Billy Bill

I have no control of me (I'll never understand -----)
Multi personalities (I don't know who I am, or why I'm
here)
Chemical unbalances (I don't know what I'm singing,
why I'm singing)
They control me randomly (I think I can.. I know I..)
