Every day every afternoon
Tried so hard but lost to God.

This time next year Iâ€™ll be married
This time next year Iâ€™ll say sorry
But Jesus stole my girlfriend.

I thought youâ€™re my friend. Iâ€™ll guess again
I look to the clouds God gives me a frown.

This time next year Iâ€™ll be married
This time next year Iâ€™ll say sorry
But Jesus stole my girlfriend.

Try to talk to me again.
Iâ€™ll never even sing or do anything.

Jesus stole my girlfriend
