Here I come again.  
Your retarded friend.  
What's inside my head?  
Mind your own instead.

Look at me and smile.  
Makes you're life worthwile.  
You don't understand.  
I'm the better man.

Now in times like these.  
Nothing's what it seems.  
Who's your enemies.  
What do you believe.

Dreams of clear blue skies.  
Reasons to get high.  
One more taste of life, and I'll be satisfied.

Wasted, once again.  
Hatred, a lifetime of pain.

Feeling numb inside.  
Mental genocide.  
Lonliness is true.  
Stained by solitude.

Need to stay awake.  
Everything is fake.  
Sanity is gone.  
Can't trust anyone.

Wasted, once again.  
Hatred, a lifetime of pain.  
Save me, from myself.  
Broken, but noone can tell.

Life, wouldn't be such a burden for me, if somebody  
would stand by my side.  
Don't be mistaken, this smile, I'm just faking, to hide  
that I'm living a lie.  
Life, wouldn't be such a burden for me, if somebody

would stand by my side.  
Don't be mistaken, this smile, I'm just faking, to hide  
that I'm living a lie.

Wasted, once again.  
Hatred, a lifetime of pain.  
Save me, from myself.  
Broken, but noone can tell.
