"Crack Whore"

You need a hit
Twenty dollar rock
You suck my cock
Then you'll get off
Crack whore
Suck my motherfuckin' dick
Crack whore
My viral load will make you sick [2x]
Out again
Sell you twat
Fucked for bail
Spreading disease
Drug induced plague
Victim of AIDS
No respect for you
Crack whore
Victim of AIDS
Death evermore
Lying there
Satin and silk
Skin like milk
You're been picked at your prime
Your soul does it's time
Addicted to crack
Crack whore
Suck my motherfuckin' dick
Crack whore
My viral load will make you sick [2x]
Death to the crack whore
