Bodies, lifeless and decayed  
Fills the darkness with a stench  
That no human can take  
Frozen, within a hunk of ice  
Waiting for the ozone to  
Deplete so it may rise  
Eons old it waits  
To be reborn unto this world  
It's only emotion is hate  
The blood of man it craves  
Searching for the liquid of it's life  
Step into it's path  
You'll surely die  
Thriving on the pleas  
To spare your life  
You're fucking dead  
It has risen, to kill [2x]  
Terminate the existence of man  
It's only desire to kill  
Populate the world with it's kind  
It's planting the seed of destruction  
Exterminate the insects that rule  
For they who are caused it's demise  
Regenerate the species again  
To rule for the next millennium  
It has gained control  
Of the land and sea  
Man no longer rule  
It's reign on Earth a dream  
Handfuls did survive  
The holocaust it brought  
Existence underground  
Is their punishment  
Now man waits, for the time  
When he'll rule over the Earth  
Once again  
Until that time, he must dwell  
Among the underworld  
Growing strength, with each day  
It now feels it's day are numbered again  
Man shall rise from the Earth  
To regain what is his
